

UNITED STATES OF AMERICA
DEPARTMENT OF TRANSPORTATION
OFFICE OF THE SECRETARY
WASHINGTON, DC

Issued by the Department of Transportation on December 23, 2003

NOTICE OF ACTION TAKEN -- DOCKET OST-99-6559

This serves as notice to the public of the action described below, taken by the Department official indicated (no additional confirming order will be issued in this matter).

Application of **Delta Air Lines, Inc.** filed **7/28/03** to:

XX Renew for two years exemption pursuant to 49 U.S.C. §40109 to provide the following service:

Scheduled foreign air transportation of persons, property, and mail between a point or points in the United States and the following points in Africa: Lilongwe and Blantyre, Malawi; Maputo, Mozambique; Windhoek, Namibia; a point or points in Tanzania; Lusaka, Zambia; and Victoria Falls and Bulawayo, Zimbabwe, and to integrate these services with its existing certificate and exemption authority. Delta provides service to these points via South Africa under a third-country code-share arrangement with South African Airways (SAA).

Applicant rep: **Robert E. Cohn (202) 663-8060** DOT Analyst: **Sylvia Moore (202) 366-6519**

DISPOSITION

XX Granted, subject to conditions (see below).

The above action was effective when taken: **December 23, 2003**, through **December 23, 2005**, or until 90 days after final Department action on Delta's corresponding certificate application in Docket OST-1999-6246, whichever occurs earlier.

**Action taken by: Paul L. Gretch, Director
Office of International Aviation**

XX The authority granted is consistent with the aviation agreements between the United States and South Africa, the United States and Namibia, the United States and Tanzania, and the overall state of aviation relations between the United States and Malawi, Mozambique, Zambia, and Zimbabwe.

Except to the extent exempted or waived, this authority is subject to the terms, conditions, and limitations indicated:

- XX** Holder's certificates of public convenience and necessity
- XX** Standard Exemption Conditions (attached)
- XX** Statement of authorization for Delta/SAA code-share operations granted January 5, 2000, and conditions therein

(See Reverse Side)

Conditions: The route integration authority granted is subject to the condition that any service provided under this exemption shall be consistent with the applicable bilateral aviation agreements between the United States and the foreign countries involved. Furthermore, (a) nothing in the award of the route integration authority requested should be construed as conferring upon Delta additional rights (including fifth-freedom intermediate and/or beyond rights) to serve markets where U.S. carrier entry is limited unless Delta first notifies the Department of its intent to serve such a market and unless and until the Department has completed any necessary carrier selection procedures to determine which carrier(s) should be authorized to exercise such rights; and (b) should there be a request by any carrier to use the limited-entry route rights that are included in Delta's authority by virtue of the route integration authority granted here, but that are not then being used by Delta, the holding of such authority by route integration will not be considered as providing any preference for Delta in a competitive carrier selection proceeding to determine which carrier(s) should be entitled to use the authority at issue.

On the basis of data officially noticeable under Rule 24(g) of the Department's regulations, we found the applicant qualified to provide the services authorized.

Under authority assigned by the Department in its regulations, 14 CFR Part 385, we found that (1) our action was consistent with Department policy; (2) grant of the exemption was consistent with the public interest; and (3) grant of the authority would not constitute a major regulatory action under the Energy Policy and Conservation Act of 1975. To the extent not granted, we denied all requests in the referenced Docket. We may amend, modify, or revoke the authority granted in this Notice at any time without hearing at our discretion.

Persons entitled to petition the Department for review of the action set forth in this Notice under the Department's regulations, 14 CFR § 385.30, may file their petitions within seven (7) days after the date of issuance of this Notice. This action was effective when taken, and the filing of a petition for review will not alter such effectiveness.
